Dear Sir / Madam,

Reg: Investment Declaration - Unionparivar Application Issues

We wish to bring to your kind notice that the retirees of e-andhrabank are unable to enter investment details for the year 2021-2022 through Unionparivar application. The issue was already escalated to the concerned authorities in the month of May 2021. While expecting resolution of the issue, today the retirees of e-andhrabank received the following message from Central Office with a request to enter the investment details for the current year using Unionparivar application.

“Please submit Investment Decl FY 21-22 in U Parivar Main Menu, Employee Self Service -> Investment Declaration -> Investment Declaration Retiree. Union Bank of India”

The contrary guidelines are causing confusion among retirees especially with regard to the procedure to be followed for submission of investment details for the current year. Any delay in this regard is likely to lead financial burden on retirees’ as pension disbursing authority start deducting Tax Deduction at Source.

In the present ongoing pandemic covid environment, approaching the branch by the senior citizens for submission of Investment declaration entails high risk. Thus, we earnestly request your good offices to enable the application immediately, which is the need of the hour.

A line of reply from the concerned authorities on the subject matter is highly appreciated as the activity is a sensitive and time-bound one.

Thanks and Regards,

Yours faithfully,

(N S N Reddy)
General Secretary
