Dear Sir / Madam,

**Reg: e-andhrabank Family Pensions - Wrong fixation of Basic Pay.**

\*\*\*

As per 11<sup>th</sup> Bipartite Settlement / Joint Note, the basic pay of all the pensioners retired on or after 01.11.2017 needs revision.

The revision of basic pay was carried out correctly in respect of service pensioners duly taking commutation and other factors into consideration. However, the **family pensioners of e-andhrabank** got reduced amount of pension in the month of April 2021 onwards compared to March 2021 while they were expecting higher pension on account of increased basic pay of the deceased employee due to wage revision.

We have brought the above facts to the notice of concerned department in the first week of May 2021 and requested to address the issue. We understand that the basic fixation anomaly was rectified but still the family pensioners are reporting that they are receiving inconsistent amounts. For example – the family pension of Ms. P Srilakshmi (618085) for the months of March'21 to June '21 is furnished here under.

March	34,387/-
April	23,429/-
May	33,200/-
June	11,715/-

You are aware that the amount of pension received by the family pensioners itself is meagre and any further reduction will lead to financial hardships. In view of the above, once again we request your good offices to rectify the anomaly and credit the eligible amount (including difference amount) to the respective accounts without any further delay.

Thanks and Regards,

Yours faithfully,

(N S N Reddy)  
General Secretary
