Central Office, Mumbai

Dear Sir,

Reg: Health Insurance – Clean Loan facility to Retired Staff.

The precarious ongoing environment warrants all of us to cover under health insurance schemes to address the health emergencies and it is more so with regard to retired staff as this segment fraught with age related ailments. To address the above issue, many of the retirees have already covered under health insurance schemes which are due for renewal in the current year.

Of late, the insurance companies have been levying higher premiums which is causing additional financial burden on the retired staff as their source of income mostly limited to paltry pension. Thus, presently majority of retirees are unable to afford the health insurance policies and they are in dire need for financial support from the employer to keep the policies in force.

In view of the above, we request your good offices to extend **interest free clean loan** facility to the retired staff for the above purpose which helps us to lead tension free life in the twilight years.

Thanks and Regards,

Yours faithfully,

(N S N Reddy)
General Secretary
