Dear Sir,

Reg: Stagnation Increment – Aberrations in Basic Fixation

With reference to the above we are to inform that few e-andhrabank retirees sanctioned stagnation increment were received less pension (gross) in September 2021 compared to August 2021. On verification of pension slips, it is noticed that there is a reduction of basic pay instead hike, which is against the extant guidelines.

In view of the above, we earnestly request your good offices to revisit the process and re-fix the basic pay accordingly. Further, the difference amount (less credited) is to be passed on to the respective accounts along with revised pension.

Thanks and Regards,

Yours faithfully,

(N S N Reddy)
General Secretary
