Dear Sir,

### **Reg: Family Pension Updation – Residual Issues**

\*\*\*

While thanking all the concerned stakeholders/authorities for their positive approach in clinching the long pending issue of improvements in Family Pension (15% to 30% without any ceiling), we wish to bring to your kind notice that few family pensioners could not get any benefit of the recently announced scheme of improvements in family pension.

On further analysis of data, it is observed that the family pensioners, especially under subordinate staff category were left with meagre Basic Pension (below Rs.500/-) due to non-completion of minimum required service for the purpose of full pension. Thus there is no increase in the family pension despite recent updation.

It is pathetic to note that few family pensioners are receiving pension around **Rs.1600/-** per month which is far below the ex-gratia amount that is being paid to pre-1986 retirees.

In view of the above, we request your good offices to represent the plight of the family pensioners receiving trifling amount to the notice of UFBU/IBA for reasonable pension improvement of their pension. This segment needs special attention and they should be treated at least on par with pre-1986 retirees with regard to payment of pension/ex-gratia.

Thanks and Regards,

Yours faithfully,

(N S N Reddy)  
General Secretary
