Dear friends,

### **Membership Drive – Exemplary Performance**

We are very happy to share with all of you that membership of our organisation has crossed **9000 mark** as on 31<sup>st</sup> March 2022.

Friends, you are aware that enrolling membership is really a tough task in the present pandemic environment as retiree colleagues are spread across the country and we need to spare considerable resources for meeting or establishing contacts with them. Despite constraints, our Office Bearers / EC Members / Activists have paid focused attention and enrolled more than **2000 members** during the last one year.

Hearty Congratulations to Leaders of **Guntur & Ongole** zones for their splendid performance in achieving 99% membership with excellent Team Work and they deserve round of applause.

Similarly, we are glad to inform that **Eluru, Nellore and Odisha** zones have been showing commendable performance in membership drive and able to bring majority of non-members (above 90%) in to main stream. We wish and confident that they achieve 100% membership very shortly.

We request EC members/Activists of all the zones to aim to convert minimum 25% of non-members into members during the next six months to enable us to cross **10000** membership mark by 30<sup>th</sup> September 2022.

Thanks and Regards,

Yours faithfully.

NSN Reddy  
General Secretary
