To
The Chief General Manager
Union Bank of India
Central Office, Mumbai

Dear Sir,

Reg: Extension of UBIREMAS to retirees of E-Andhra Bank.

We appreciate Union Bank of India for introducing "*Union Bank of India Retired Employees Medical Aid Scheme (UBIREMAS)*" and extending health insurance coverage up to Rs.1.50 lakh and annual health check-up to the retirees/spouse at free of cost since long. This facility is providing comfort to the retirees and enabling them to protect from health/financial risks to some extent.

In this context, we wish to bring to your kind notice that Anchor Bank has informed in various forums (pre merger) that the best practices available in Anchor and merged banks will be continued in the post merger scenario also. However, the retirees of the merged banks, prior to 01.04.2020, are deprived of UBIREMAS facility as bank is extending this facility to post merger retirees only.

Sir, we have been representing this issue to the Top Management since last two years with a request to extend the scheme to all the retirees of the Bank without any discrimination.

Once again, we request your good offices to cover all interested retirees of the bank in the scheme. We look forward for positive response from our beloved Organisation, which will help thousands of retirees, who really need it the most in the present precarious health environment.

Thanks and Regards,

Yours faithfully,

(N S N Reddy)
General Secretary
